Encountering the Gentleness of Nature and People under the Moonlight
The "Tsukiakari Hanakairo" is a light-up event held in Kinugawa Hot Spring Village. The Japanese umbrella decorates the venue with elegance. A forest of silence where gentle tones echo through the air... Don't miss the "Kinugawa Enka" fireworks, which will be held during the event (Fireworks under the Moon). Why don't you go out for a walk in the autumn night to feel the beauty of Japan?
